

“Casting lessons were hard, but then I got it and the line just zipped out to where I wanted it to go.” 2009 Camp Participant.

“We planted 120 trees to save the river bank. How bold is that! Protecting the environment means we will have great places to fish.” 2010 Camp Participant.

KIDS' TROUT CAMP

July 13th – 17th, 2011
PITTSBURG, NH

Kids' Trout Camp is conducted by the NH Trout Unlimited State Council and its chapters throughout the state. The five day camp teaches appreciation and stewardship of cold water fisheries through the art and science of fly fishing.

“Camp showed me that there's more to fly-fishing than I thought. And, catching fish on a fly that I tied was awesome!” 2009 Camp Participant.

NH Kids' Trout Camp is a co-ed program for ages 14 – 16 yrs.

- Camp days are filled with stream ecology, conservation, restoration and learning river safety, fly-fishing and fly-tying skills.
- NH Fish and Game Department staff assist in teaching conservation and stream ecology. NH licensed guides and NH "Let's Go Fishing" instructors conduct fishing activities.
- On-Stream fishing in the Connecticut River headwaters offers rainbow, brook and brown trout as well as landlocked salmon.
- All Fly-Fishing equipment is provided including fly-tying kits.
- Cabin lodging is provided including healthy snacks and 3 meals per day from Wednesday's dinner to Sunday's breakfast.
- 1:1 student to counselor ratio. All counselors undergo an annual National Trout Unlimited background check.

NH KIDS' TROUT CAMP July 13 – 17, 2011

Eight participants will be selected to attend the 2011 camp. Students are selected based on the content of their essays and letters of recommendation. NH TU Council's Selection Committee reviews the applications.

Camp tuition, room & board for each student is \$425. All equipment needed is provided at camp. Financial assistance is available and can be discussed with the camp director after the student is accepted to camp.
